NEBLETT & GRANT Terms-Three Dollars per Year.

Of course I do. I often drop in at Mrs. Smith's "I can play and sing better than Mrs. Smith,"

"But you always say you are out of practice when I sak you." When I ask yet.

'I had the plane tuned this morning. New open it, and we will see how it sounds.

William obeyed joyfully, and tossing aside her sewing, Lizzie took the plane alool. She had a very sweet voice, not powerful, but most musical, and was a very fair performer on the plane.

'Ballads, Lizzie.'

One song after another, with a nocturne, illed up another hour pleasantly.
The little mantel clock struck eleven!

"Elven! I thought it was about nine. I ought to apologize, Lizzie, as I used to do, for staying as I long; and I can truly say, as I did then, that the time has passed so pleasantly, I can scarcely believe The plane was closed, Lizze's work put in the basket, and William was ready to go up stairs; but, glancing back, he saw his little wife near the fire-place, her hands clasped, her head bent and large tears falling from her eyes. He was beside her in an instant.

Love you? On! Linzie, you can guess how

of have won him back again! Better than that I have learned the way to keep him! To the Colored People of Alken, South Carolina, and Vicinity.

75 00 Since my arrival here, I have seen too idleness and vagrancy. I cantion you to I cantion you to against it. If you are giad that you are free stay at home and be industrious. If you want to be respected and have friends, keep out of idleness and better ones. A poor home is better than none. It you have hopes for future, and faith in the Government which has freed you, be industrious, work— work with a will, such as you never knew before. Freedom should inspire you with hope, with ourage with energy, with patience, and unless it is done there is a dark prospect before you. Wake os, then, and look the future boldly in the face; hear and heed the advice of your friends; turn away from bad counsel as you would from a veno-

go anywhere; I am not a bit extravagant, and yet a don't believe he level me any more! Oh, dear why is it? I wasn't rich; he didn't marry me for the sympathy of those around them, as you need to place that section the sympathy of those around them, as you need it. now; and unless by your conduct you make friends, you have no future but suffering. Some of you Southern with her mind filled with such frightful queries, Lizzie Haves fell asleep on the soft. are going about with words of hate for those whom you should do every act to conciliate. You are a blonde, with a small, graceful figure, and a pretty face. The hair, which showed by its blessing which has been bestowed upon you, it will will regulate the amount obtainable in the Northern it will meet with decided, determined and un she said; her check was pale and the whole face

CULTIVATION OF SOUTHERN LANDS.

that difficulty, the subject rises into the dignity of

The labor question must be settled practically as the South before next Spring. The agitation of neuro suffrage, maintained as an irritant among the Congress, there is grave reason to fear that even the pinchings of want may not have sobered the blacks of the South into settled industry in time for next year's plowing.

But even now the ansettled condition of Southern ther casts ominous shadows upon next year's pro-uction. Many of the fairest fields of the South lie this moment waste. Farm buildings, of even og Southern lands remains, in very many instan-"Ohl yes, I know you dislike open music in a the last rail by ten thousand comp-fires. And war has turned into ashes the surface of thousands of farms, while thousands of others have, in that iuxarrant roll and climate, been clad in a dense covering of brushwood or weeds. Freis peressary in all those numerous instances to pre-pare the ferms of the South for the work of seed-time, if they are not to be lost to the purposes of

production Best year. Looking the facts of the labor supply of the South directly in the face, there can be no doubt that sound policy demands that she take st ps to supply herself with white labor at once. The advertisement which has suggested these remarks—vertisement which has suggested these remarks and large tears falling from her eyes. He was that of Mr. He wan — proposes to bring the South brside her in an instant.

"Ultrie, darling, are you ill? What is the matter?"

"Oh, William, I have been such a had wife! I heard you tell Mr. Moore last evening how I had disappointed you; but I will try to make your home pleasant. Indeed I will, if you will forgive and love me."

"On the Southern people.

In the Northwestern States and in the Canadas farms are worked "on shares." In the British and love me."

Provinces and in several of the Northern States land is turned to account at a fixed rental per acre. Under the rental system the landowner supplies nothing but the land, the fencing and the farm-buildings. The rate paid per acre varies from one As the little wife lay down that night she dollar to four dollars, according to the quality of the land and the character of the improvements. Farming "on shares" involves generally the supply by the owner of seed, implements and horse power. That system also supposes for the use of the laborer's family, a cottage, a vegetable garden, the laborer's family, a cottage, a vegetable garden.

You, Mr. Editor, opposed the election of Marange or pasturage for one or two cows, five or six

Harding, Shanklin and others because you be. sheep, and three or four hogs. The rate of division of the harvest in such cases varies according to cir-

> making these contracts, in the character of the clearing, the quality of the land, etc.
>
> The extent of farm cultivatable by with the incidental assistance of his children, varies with the proportion and the completeness of the clearing. Twenty-five acres of range, fifteen of meads w, and about fifty of grain and root-crops, represent the limit of the capacity men above your loyal neighbors who have st ones—of one good laborer.
